

Dearist / 'diər ɪst /

noun

1 a person who writes letters.

Dear Friend,

Do you have a story about a letter with a special meaning? We'd love to hear it! Maybe it's a letter you received, or one you wrote, or even one you never got the chance to send. What made it stick with you? Why does it matter today?

Share your story in a video or written post (Instagram or LinkedIn) and tag us @hellodearist #lettersfromhumanity. Pass it on by asking someone you know if they have a letter story to share.
